Blood Hound

About

An online, level-based, treasure hunt competition consisting of a set of puzzles, games, challenges involving reverse engineering, memory corruption, cryptography, web technology and more.

Rules

- 7 Levels with increasing complexity each of which will have one hint.
- Points will be scored based on how quickly a level is passed.
- Each team will get 1 level skip and 3 free hints.
- Each new hint requested by a team will result in point deductions.

Participation

Open to all.
